Subject: Validation Approval of Aircraft Design Certification GmbH ORATEX Coating System on Various Make and Models of Aircrafts

Reference: 1) Luftfahrt-Bundesamt (LBA) Letter 'Ref: T 314-ORATEX/24' dated August 15, 2024
2) Technical Implementation Procedures for Airworthiness and Environmental Certification (TIP), Revision 7
3) LBA STC SA 1468

Dear Dr. Roth,

The Federal Aviation Administration (FAA) has completed our validation of Aircraft Design Certification GmbH ORATEX Covering and Coating system on the associated airplane Approved Model List (AML) under FAA project number SA11992IB-A. In recognition of the reference (1) certification statement, the reference (2) agreement, and LBA's approval of reference (3), we are pleased to issue FAA Amended STC SA03898NY to Aircraft Design Certification GmbH.

All future mandatory continuing airworthiness information as well as non-mandatory safety information issued by EASA for this design should be forwarded to:

Continued Operational Safety - USA
Email: 9-AMC-FAA-MCAI@faa.gov
Telephone: 1-817-222-5390

We appreciate your assistance in the validation of this STC. If you have any questions or require additional information, please contact Jiju Thomas, Program Manager, International Validation Branch, at jiju.thomas@faa.gov.

Sincerely,

for

John Yoo
Manager, International Validation Branch
Compliance & Airworthiness Division
Aircraft Certification Service
