Supplemental Type Certificate

IMPORT

Number: SA03819NY

This certificate issued to: Lanitz-Prena Folien Factory GmbH
Am Ritterschloesschen 20
Leipzig, Germany 04179

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product – Type Certificate Number: Make: *

* See attached FAA Approved Model List (AML) Model: *

No. SA03819NY for a list of approved models
and applicable airworthiness regulations.

Description of Type Design Change:

1. Installation and maintenance of ADxC-DC-51-053 Application of Oratex 6000 covering and coating system in accordance with FAA Approved Model List (AML) No. SA03819NY, issued October 20, 2016, or later FAA approved revisions.

Limitations and Conditions:

1. A copy of this certificate and the FAA Approved Model List (AML) No. SA03819NY, issued October 20, 2016, or later FAA approved revisions, must be maintained as part of the permanent records for the modified aircraft.
2. The installer must determine whether this design change is compatible with previously approved modifications.
3. If the holder agrees to permit another person to use the certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: May 12, 2016

Date Reissued:

Date of Issuance: October 20, 2016

Date Amended:

By Direction of the Administrator

Acting Manager
New York Aircraft Certification Office

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
